**International  
Award**

Project Name: Infinite (549 Units)

International Award:

🏆 Meriton's Infinity tower in Brisbane has taken out the coveted International Property Award for 'Best Residential High-Rise Development' (Australia).

🏆 The landmark 81-storey building, the tallest in the Queensland capital, was awarded the highest national accolade available, the '5 Star', at the official awards ceremony in Kuala Lumpur.

Co-designed by DBI architects, the residential tower won over the panel of more than 70 judges from across the world with its cutting-edge design, consisting of an elegant glass tower with contrasting facades, crisp white vertical blades on one side and smooth horizontal spandrels on the other to create an arresting visage.
